It Wasn’t Trying To Be Seen

It wasn’t trying
to be seen.

It wasn’t reaching
for you.

Didn’t signal.
Didn’t call out.

No intention
behind it.

No effort
at all.

You thought
it showed itself.

Like it wanted
to be noticed.

But it didn’t.

It was just there.

Unaffected
by whether
you saw it or not.

Seeing it was never its job.
